List of Figures

1. Access to the BLUE-GREENWAY Transnational Network

1.1 Transnational network – access through website

Access to the BLUE-GREENWAY Transnational Network can be granted through the website that was created for the BLUE-GREENWAY tools (http://blue-greenway.upatras.gr/).

Figure 1 Access through website

1.2 Transnational network – Sign in Page

To sign in the network, go to http://blue-greenway.upatras.gr/authentication/register and enter your username and password as instructed. You will be redirected to the main page website.
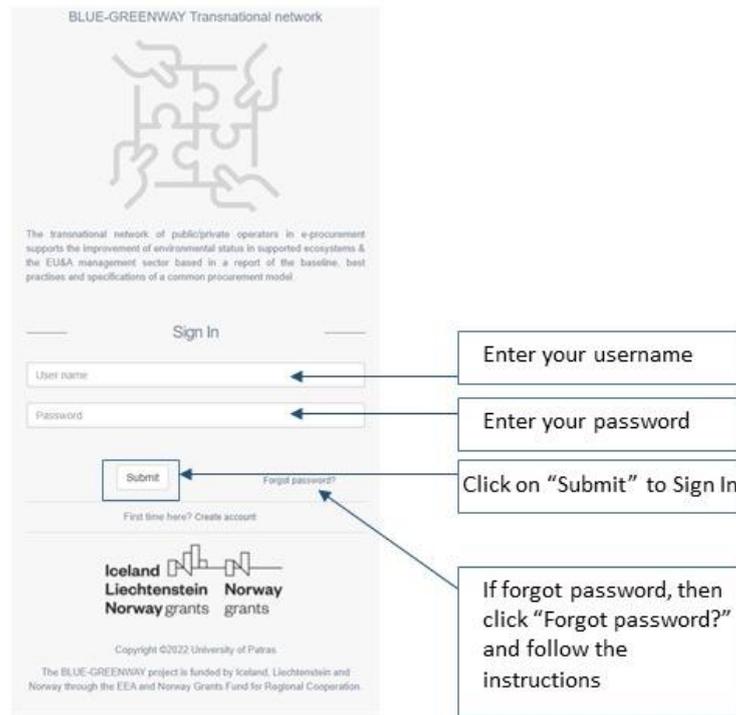

Figure 2 Sign in Page

1.3   Registration / New account Page

To access the website, you'll need a user account, in order to create a new one, click on "Create new account" located on the home screen. Once the new page loads, fill in all required fields (marked with an asterisk), read the Terms of Service and mark the checkbox, then hit "Create new account"

Figure 3 Registration Page

Figure 4 New account Page

After clicking on the "Submit" button, a confirmation email is automatically sent to the user's registered email address, as illustrated in the image below.

Figure 5 Activate account

The user has to follow the instructions included in the email, click on the received link and the account will be activated. If needed, please copy and paste the link on your browser.
Then the user will be able to Sign In.

1.4   Password recovery

In the event that the user forgets their password, they may open the tab titled "Forgot password" in the login form. Once they enter their email and click the button "send", they will receive an email with instructions to set a new one.
